Use this booklet to report employee or payee income tax withholding. Do not use this booklet to report nonresident member withholding for pass-through entities. For more information regarding withholding for nonresident members of pass-through entities, go to the MRS web site at www.maine.gov/revenue/incomeestate (select Pass-Through Entity Withholding (941P-ME) and Returns).

IF YOU ARE LIABLE FOR UNEMPLOYMENT CONTRIBUTIONS AND/OR THE COMPETITIVE SKILLS SCHOLARSHIP FUND (CSSF) ASSESSMENT IN ADDITION TO INCOME TAX WITHHOLDING, YOU MUST FILE THE COMBINED QUARTERLY RETURN, FORM 941/C1-ME.

Electronic Filing and Payment Requirements

Electronic Filing. MRS Rule 104 generally requires all employers and non-wage payers registered for Maine income tax withholding to electronically file Maine quarterly tax returns and annual reconciliation of Maine income tax withholding and unemployment compensation. Waivers are available if the requirement causes undue hardship. See MRS Rule 104 at www.maine.gov/revenue/rules and page 6 for details.

Electronic Payments Required. Beginning in 2014, taxpayers that have a combined tax liability for all Maine taxes of \$12,000 or more during the lookback period ending in 2013 must remit all Maine tax payments electronically. Thus, in addition to other entities affected by the requirement, employers and non-wage payers required to remit on a semiweekly basis must do so electronically. Waivers from this requirement for good cause may be requested. See MRS Rule 102 at www.maine.gov/revenue/rules and page 6 for details.

For questions on filing income tax withholding returns electronically, call 626-8475, press 1, option 4 or email withholding.tax@maine.gov.

PAYROLL PROCESSORS

DOs and DON'Ts for Clients of Payroll Processors in Maine:

Using the services of a payroll processor can be a convenient and economical way for an employer or non-wage filer to file and pay withholding taxes. However, employers or non-wage filers face certain risks associated with the use of a processor, including possible lack of compliance and the risk of loss of funds that are under the control of the processor. Ultimately, it is the employer or non-wage filer who bears the responsibility for meeting its payroll tax obligations. **If you are an employer or non-wage filer that uses the services of a payroll processor, you should take the following precautions:**

- ✓ Educate yourself to understand your filing requirements and the risks associated with using a payroll processor.
- ✓ Verify with the Bureau of Consumer Credit Protection, (207) 624-8527 or www.credit.maine.gov, that the processor is licensed and has provided proof of fidelity insurance to protect payroll funds, including coverage for crimes such as fraud and theft. If the processor has access to your company's tax funds, verify with the state that the company has also posted a surety bond or letter of credit, or is enrolled in the state's Payroll Processor Recovery Fund.
- ✓ Obtain verification from the payroll processor and its insurer that the processor's liability insurance will remain in effect for a specified period of time.
- ✓ Read your contract with your processor carefully.
- ✓ Ensure that the agreement/contract and any power of attorney that your processor has with you specifically requires that all notices sent by the IRS and state tax agencies be sent directly to you.
- ✓ Never hesitate to contact tax authorities or the Bureau of Consumer Credit Protection directly when you feel it necessary.
- ✓ Check with the appropriate tax agency periodically to ensure that returns and payments are filed in a timely manner.
- ✓ Insist on verification from your processor that any problem for which the employer has received a tax agency notice has been resolved.
- ✓ Never assume that everything is fine solely because you have not received notice of any problems from the IRS or MRS.
- ✓ Never sign a tax return before it is completed.
- ✓ Require that the processor provide copies of returns, not just summaries, at the time of filing.
- ✓ If you are using a nationwide payroll service, be sure you are assigned a direct contact person and telephone number.

A payroll processor is an entity that performs the following services for one or more employers or non-wage filers: prepares and issues payroll checks, prepares and files state or federal income tax withholding reports or unemployment insurance contribution reports or collects, holds and turns over to the State Tax Assessor or to Federal tax authorities income tax withholding or unemployment insurance contributions. By January 31st of each year, all payroll processing companies must obtain a license from the Maine Department of Professional and Financial Regulation, Bureau of Consumer Credit Protection (www.credit.maine.gov).

All payroll processors must provide proof of fidelity insurance equal to twice the highest gross weekly payroll processed by the business in the preceding year or \$5,000,000, whichever is less. For fidelity insurance coverage, the processor may choose from a fidelity bond, employee dishonesty bond, third-party fidelity coverage or liability insurance that includes crime coverage.

Payroll processors who have authority to access, control, direct, transfer or disburse a client's funds must also provide evidence of a surety bond in an amount equal to the total of all local, state and federal tax payments and unemployment contributions remitted by the payroll processor on behalf of employers in this state in the three consecutive month period of highest volume during the

previous calendar year or \$50,000, whichever is greater. The bond need not exceed \$500,000. A letter of credit or participation in the state's Payroll Processor Recovery Fund can be substituted for a surety bond. A payroll processor must provide certain information to each client at least every quarter. Such information includes an accounting of funds received and disbursed, contact information for state and federal tax agencies to verify payments have been made, and notice that bonding does not necessarily ensure that all claims will be covered if the payroll processor fails to comply with its responsibilities.

A payroll processor may not designate itself as the sole recipient of notices from state or federal authorities for nonpayment of taxes or unemployment contributions. A payroll processor shall ensure that such notices are provided directly to the affected employers or non-wage filers.

Failure to license or abide by all statutory requirements will subject a payroll processor to certain civil penalties. Further information and applications may be obtained from the Bureau of Consumer Credit Protection. Call (207) 624-8527 or visit the web site at www.credit.maine.gov (select "Rosters", then go to "Payroll Processor Companies").

WITHHOLDING AND UC FORMS

SEMIWEEKLY PAYMENTS OF WITHHELD INCOME TAXES: If your withholding tax remittance frequency is semiweekly and wages or non-wage payments are paid on Wednesday, Thursday or Friday, payment of withheld income taxes is due the following Wednesday. If the wages or non-wage payments are paid on Saturday, Sunday, Monday or Tuesday, the payment of withheld income taxes is due the following Friday. **If you are required to make semiweekly payments, you must make the payments electronically. However, waivers from electronic payments for good cause may be requested. See Rule 102 at www.maine.gov/revenue/rules and page 6 for details.**

FORMS 941ME & 941/C1-ME - QUARTERLY RETURN OF INCOME TAX WITHHOLDING AND UNEMPLOYMENT CONTRIBUTIONS must be filed by all employers or non-payroll filers registered to remit income tax withholding and/or unemployment contributions. The form is used to report income taxes withheld for the quarter, to reconcile payments of income taxes withheld during the quarter, to calculate unemployment contributions for the quarter, to report employee or payee wage listing information for

the quarter and to make payment for any balance due for income taxes withheld and/or unemployment contributions. The quarterly return is due the last day of the month following the end of each calendar quarter, even if there is no withholding tax or unemployment contributions to report.

FORMS W-2, 1099, etc. Employee income and withholding statements must be furnished to payees by **January 31st** of the succeeding year. If employment ends before December 31, you may furnish copies to the employee at any time after employment ends, but no later than January 31. If a terminated employee requests Form W-2 in writing, you must give the employee completed copies within 30 days of the request or within 30 days of the final wage payment, whichever is later. A person/employer who furnishes a false or fraudulent statement or fails to furnish a statement commits a civil violation subject to a fine of \$50 for each failure.

FOR INFORMATION ON FILING THE ABOVE FORMS ELECTRONICALLY, SEE PAGE 6.

REPORTING THIRD-PARTY SICK PAY

Many employers that provide wage protection for employees who miss work due to illness or injury often do so through a third party, such as an insurance company. Sick pay paid by a third party that is considered wages for federal purposes is treated as wages for Maine purposes and subject to voluntary withholding as requested by the employee.

A third party that withholds Maine income tax from sick pay is required to remit payment and file withholding returns under the same rules that

apply to employers. The third party must file returns under its own EIN and include all Maine income tax withheld for the quarter. The return must include, on Schedule 2, the amount withheld from each employee/payee, even if the Wage Statement (Form W-2) reflecting the sick payments will be issued by the employer and not the third party. **Employers: Do not include on Form 941ME any Maine income tax withheld and remitted by a third party from sick payments.**

NEW HIRE REPORTING REQUIREMENTS

Maine employers are required by law to report certain information to the Department of Health and Human Services ("DHHS") within seven days of the date an employee is newly hired, rehired or terminated. Employers are also required to report the hiring of an independent contractor when reimbursement is anticipated to equal or exceed \$2,500. Employers must report the employee's full name, address, social security number, date of birth and date of hire, rehire or termination, as well as the employer's name, address, telephone number, Maine Department of Labor Number and federal Employers Identification Number ("FEIN"). If reporting the hiring of an independent contractor, the report must also include the date a contract is executed (or, if no contract, the date payments equal or exceed \$2,500), the total dollar amount of the contract (if any), and the expiration date of the contract (if any).

The required New Hire information may be reported in the following ways:

Voice recognition telephone: This system is available 24 hours a day, 7 days a week. Call (207) 624-7880 or the toll free number 1-800-845-5808 (in-state only).

FAX: FAX a New Hire Report Form to (207) 287-6882 (local call) or the toll free number, 1-800-437-9611 (in-state only). Obtain a New Hire Report Form either by calling (207) 624-4112 or downloading it from the web site at <http://www.maine.gov/dhhs/OIAS/dser/employer/new-hire.html>.

Regular mail: Mail your report to:

New Hire Reporting Program
11 State House Station, Augusta, ME 04333-0011

Internet: New Hire Portal: <https://portal.maine.gov/newhire>
(Internet Explorer is the preferred browser.)

New Hire information provided by Maine employers helped increase child support collected by payroll deductions to over \$70 million in fiscal year 2008. This has made a great difference in the lives of many children who otherwise might not have received the financial support to which they are entitled. For more information about New Hire Reporting, call the Department of Health and Human Services, Division of Support Enforcement and Recovery at (207) 624-4112 or access the web site at www.maine.gov/dhhs/OIAS/dser/employer/new-hire.html.

UNCLAIMED PROPERTY REPORTING REQUIREMENTS

ELECTRONIC FILING REQUIRED FOR ALL EMPLOYERS/PAYERS

MRS Rule 104 (Electronic Filing of Maine Tax Returns) generally requires all employers and non-wage payers to electronically file Maine income tax withholding returns and annual reconciliation of Maine income tax withholding and unemployment compensation. Employers/payers unable to meet the electronic filing requirement because of undue hardship may request a waiver from the State Tax Assessor. The request must be in writing and must include the name, address and withholding account number of the business, a detailed explanation of why filing electronically poses a significant hardship and the length of time for which you are requesting a waiver. Mail requests to: Maine Revenue Services, Withholding Unit, P.O. Box 1060, Augusta, ME 04332-1060. To view Rule 104, go to www.maine.gov/revenue (select "Laws & Rules").

The **Maine Employers Electronic Tax Reporting System (MEETRS)** allows employers and non-wage withholders to file multiple forms with a single login, including quarterly returns and the annual reconciliation (Form W-3ME). Employers/payers using software capable of producing a file that conforms to the Maine Revenue Services ICESA specifications may upload that file to MRS via the web. Quarterly return file specifications are available to view or download from the Maine Revenue Services web site at www.maine.gov/revenue (select "Electronic Services" and scroll to "Payroll Taxes").

The quarterly return and Form W-3ME may also be filed via the MRS Internet filing program (Maine I-file), which does not require any special software. For your convenience, you may upload wage listing spreadsheet files via the Maine I-file program.

Experienced personnel can walk you through your initial registration and answer any questions you may have. **Call (207) 626-8475, select option 1, then option 4** for a direct connection to the Maine Business Tax Unit. For more information, see www.maine.gov/revenue.

ELECTRONIC PAYMENT OPTIONS

Electronic Payment Required. MRS Rule 102 requires that taxpayers with an annual total combined tax liability for all taxes of \$12,000 or more must pay electronically. Payroll processing companies must remit electronically for all clients, even if clients are not mandated to pay electronically. MRS also encourages voluntary participation by those not required to pay electronically. You may request a waiver from this requirement for good cause. To obtain a waiver request form, see contact information in the last paragraph below.

MRS accepts electronic payments by ACH credit and ACH debit methods. There are several options for making payments by ACH debit. Each of these options is described below. ACH Credit and ACH Teledebit (phone payment system) require the submission of an EFT application prior to use.

ACH Debit. A taxpayer may make payments using this method by authorizing MRS to electronically transfer tax payments from the taxpayer's deposit account to the MRS deposit account. Most electronic filing systems used by Maine Revenue Services provide an option to pay by ACH debit by simply including your account information with the electronically filed return. In addition, ACH debit payments can be made using the Maine EZ Pay system or the Maine Teledebit system.

Maine EZ Pay. Maine Revenue Services offers a convenient web based payment option called **EZ Pay**. You can access **EZ Pay** on our web site at www.maine.gov/revenue/netfile/ezpay.htm. Almost any type of tax payment can be made, including withholding and state unemployment insurance ("SUI") taxes. To use **EZ Pay**, simply register online at the time you want to make your first payment. Once registered, the system will ask you to select the tax type you want to pay. If you are making a pre-payment or semiweekly payment of only the withholding tax portion, select "Withholding Semiweekly Payment." If you are pre-paying the SUI portion, or if you are paying a tax balance due on your quarterly combined return,

select "941/C1-ME Combined Withholding/Unemployment Payment." If you are paying a balance due from a bill or notice that you received from MRS, select "Bill Payment."

ACH Teledebit. Payments by Teledebit are initiated through a telephone call to the MRS electronic withdrawal payment system (207-624-7777). This telephone payment system allows taxpayers to arrange for debit payments with effective dates up to 15 days in the future.

ACH Credit. A taxpayer may make payments using this method by authorizing their bank to withdraw the tax payment from the taxpayer's deposit account and transfer it to the state's account. You must have previously established a relationship with a bank that provides this service (generally larger commercial banks) and you must have previously registered with the MRS EFT Unit as a credit method payer.

Penalty for Insufficient Funds. The penalty for insufficient funds applies to electronic funds transfers. The penalty is \$20 or 1% of the payment amount, whichever is greater.

Penalty for Failure to Pay by Electronic Funds Transfer. Any person required to pay by electronic funds transfer who fails to do so is liable for a penalty equal to the lesser of 5% of the tax due or \$5,000.

For more information about electronic payment requirements, an application, a waiver request form or a copy of Rule 102, visit www.maine.gov/revenue and select Electronic Services; send an email to efunds.transfer@maine.gov; send a fax to (207) 287-6975; call (207) 624-5625; or write to: EFT Unit, Maine Revenue Services, PO Box 1060, Augusta, ME 04332-1060.
